

**ROLF Food pantry will be scanning the QR code in the ROLFORG app to do food pickup checkin in the future. Below is the download and signup procedure:**

| Apple IOS Phones  | Android Phones  | Manual Download                              |
|---|---|--|
| Use <b>App Store</b> to download <b>ROLFORG</b>                                   | Use <b>Google Play Store</b> to download <b>ROLFORG</b>                           | Iphone - App Store<br>Android - Google Store |
|  |  | Search for <b>ROLFORG</b> and download       |

**Follow the steps below (left to right) to download and sign up the ROLFORG app:**

The screenshots illustrate the following steps:

- App Store search results for ROLFORG.
- Search for 'rolforg' on an Android phone.
- Clicking the 'OPEN' button to launch the app.
- Responding to a notification permission request by selecting 'Allow'.
- Responding to an information dialog by selecting 'Skip Now'.
- Entering registration details: Name (Joe Smith), Mobile Number (+1 4089999999), and Email Address.
- Selecting a user group: 'Food Pantry Customer'.
- The final app home screen showing the user's profile and a QR code.

**If you don't have a smartphone, ask ROLF staff for a QR card. Please let us know if you have a problem installing the app, we will have someone to help you. Thank you.**
